

JUAN MARTÍN CARINI

B.S. in Mathematics | Financial Data Analyst & Data Scientist

📍 Bahía Blanca, Buenos Aires, Argentina | 📞 +54 291 414 3811 | ✉️ juanmcarini@gmail.com

🌐 [linkedin.com/in/juanmcarini](https://www.linkedin.com/in/juanmcarini) | 🐙 github.com/JuanMCarini

PROFESSIONAL SUMMARY

Mathematician with a strong background in quantitative analysis, statistics, and financial modeling. Proven experience in extracting, cleaning, reconciling, and analyzing complex financial and accounting datasets, as well as designing interactive dashboards and automated reporting pipelines using SQL, Python, Advanced Excel (Power Query) and Power BI. Passionate about transforming raw data into strategic insights for executive decision-making, targeting Data Analyst and Data Science roles.

WORK EXPERIENCE

Administration & Finance Analyst

February 2026 – Present

Credise S.A. – Bahía Blanca, Argentina

- Manage and optimize administrative and financial workflows by applying quantitative analysis and data process automation.
- Analyze operational datasets to reconcile accounts, monitor collections, and track credit risk indicators.
- Design and build management control reports and analytical dashboards to support executive decision-making.
- Coordinate administrative and regulatory documentation with banking institutions and commercial clients.

Financial Data Analyst

May 2023 – February 2026

Fideicomisos de Inversión S.A. – Bahía Blanca, Argentina

- Extract, clean, structure, and analyze accounting and financial datasets across multiple investment trusts.
- Evaluate, reconcile, and validate financial statements, ensuring data integrity, consistency, and compliance.
- Coordinate and adapt operational and accounting processes in response to contract amendments from Mutual Investment Funds (FCI).
- Develop SQL queries and Python scripts to automate data pipelines and streamline periodic financial reporting.
- Present executive summaries and KPI dashboards to senior management for strategic decision-making.

Store Manager & Commercial Operations

January 2021 – February 2022

Veterinaria El Destete – Bahía Blanca, Argentina

- Advised clients and managed retail sales operations for veterinary and agricultural supplies.
- Supervised inventory control, replenishment logistics, and comprehensive stock auditing.
- Updated product catalogs and dynamic pricing on eCommerce platforms and Facebook Marketplace.
- Managed accounts receivable/payable, cash register audits, and daily accounting reconciliations.

Sales & Quality Control Specialist

February 2012 – August 2020

Zammá Pastelería & Deco – Bahía Blanca, Argentina

- Managed customer service and retail sales operations in-store.
- Monitored product quality standards and supervised merchandise intake, storage, and dispatch.

Undergraduate Teaching Assistant (Category B)

March 2012 – June 2019

Universidad Nacional del Sur – Bahía Blanca, Argentina

- Guided undergraduate students through problem-solving sessions and practical coursework.
- Graded midterm exams and coursework for: Elements of Algebra & Geometry, Algebra & Geometry, and Calculus II.

EDUCATION

Bachelor of Science in Mathematics – Graduated

March 2010 – August 2022

Universidad Nacional del Sur

- Official Degree / Academic Transcript [🔗](#)
- Elective focus courses: Principles of Computing I [🔗](#), Introduction to Stochastic Processes [🔗](#).

FEATURED PROJECTS

Credit Manager – Credit Portfolio Management & Analytics System

[GitHub](#) / [Credit_Manager](#) [↗](#)

Technologies: Python (Pandas, NumPy-Financial, SQLAlchemy), FastAPI, SQLite, React

- Developed a Python and SQL application for credit portfolio administration, audit, and financial analysis (French Amortization System).
- Engineered ETL pipelines for bulk portfolio ingestion, ACID transactional processing for mass collections, and vectorized calculation of balances and penalty interest.
- Implemented a FastAPI REST API and an interactive React dashboard with real-time delinquency KPIs and loan simulations.

Predictive Modeling & Socioeconomic Analysis (Annual Household Survey)

[GitHub](#) / [DataScience_ProyectoFinal](#) [↗](#)

Technologies: Python (Pandas, Scikit-Learn, NumPy, Matplotlib, Seaborn), Jupyter

- Conducted exploratory data analysis (EDA), multivariable correlations, and geospatial analysis on Buenos Aires City socioeconomic datasets.
- Trained and tuned classification and ensemble Machine Learning models (Random Forest, Decision Trees) using hyperparameter optimization.

COURSES & CERTIFICATIONS

- **Artificial Intelligence for Finance** (Certificate [↗](#)) March 2024
Platzi
- **Introduction to Artificial Intelligence** (Certificate [↗](#)) February 2024
Platzi
- **ChatGPT & AI Applications** (Certificate [↗](#)) February 2025
Platzi
- **SQL and MySQL** (Certificate [↗](#)) October 2024
Platzi
- **Python: PIP, Virtual Environments, Functions & Data Structures** February 2024
(Certificate 1 [↗](#) | Certificate 2 [↗](#))
Platzi
- **Introduction to Machine Learning** (Certificate [↗](#)) February 2024
Platzi
- **Advanced Excel with Macros and VBA** (Certificate [↗](#)) February 2024
Platzi
- **Data Scientist Career** (Certificate [↗](#)) Nov. 2021 – Sep. 2022
Coderhouse
- **Non-Parametric Statistics & Time Series Analysis with Python** (Certificate 1 [↗](#) | Certificate 2 [↗](#)) Sep. – Oct. 2022
Argentine Statistical Society
- **Professional Git & GitHub** (Certificate [↗](#)) August 2022
Platzi

SKILLS

Technical Skills: SQL (MySQL), Python (Pandas, NumPy, Scikit-Learn, Statsmodels), Advanced Excel (Power Query, Macros / VBA, Pivot Tables), Power BI, Git & GitHub, L^AT_EX, R / Matlab, Statistical Analysis, Mathematical & Financial Modeling.

Professional Competencies: Analytical thinking & complex problem-solving, data-driven communication & executive presentation, cross-functional teamwork, methodological rigor, proactivity & adaptability.

LANGUAGES

Spanish: Native | **English:** Intermediate (B2)

CONFERENCES & ACADEMIC SEMINARS

- **XLIX Argentine Statistics Colloquium & VII Statistics Teaching Workshop** (November 2022, Argentine Statistical Society). Certificate 1 [↗](#) | Certificate 2 [↗](#)
- **Annual Meetings of the Argentine Mathematical Union (UMA)** (Rosario 2013, Córdoba 2012). Certificate 1 [↗](#) | Certificate 2 [↗](#)
- **XI & XII Dr. Antonio Monteiro Mathematics Conferences** (May 2011, May 2013, Universidad Nacional del Sur). Certificate 1 [↗](#) | Certificate 2 [↗](#)
